General Data Protection Consent

In accordance with the General Data Protection Regulation (GDPR) we require consent to store your contact, boat and payment details on our membership database. This information will be securely stored on a password protected database and paper copies in a secure filing cabinet and will not be used for any other purpose than for contacting members and providing lists of dinghies and moorings to be shared with Club officials but no one else without your permission. You will need to give consent for contact and boat details to be provided to Peel Ports if a conservancy disc is required. Please also provide permission for your chosen phone number to be published in the yearly Handbook. You may withdraw consent at any time by contacting the Club Secretary. This information will be kept for no longer than 7 years.

I consent to the Club Secretary holding contact, payment and boat details on the Club database Yes/No

I consent to my phone number being published in the Club Handbook Yes/No

I consent to contact details being disclosed to Peel Ports when purchasing a conservancy disc Yes/No

Do you have previous sailing/boating experience? Give details, including any boats owned.

We encourage "an active membership". This entails not only participating in club events but also helping with the maintenance and running of the club. This helps keep our membership fees to a minimum and promotes friendship and enjoyment through working together. Are there any skills that you would be able to bring to the Club?
